

Welly Days Programme

A fantastic way to encourage the children out of the house and into the open air during the school holidays. Join our friendly and experienced staff at Dinton for our Wild Days with sailing, rock climbing, canoeing and other adventurous activities on offer. This is an excellent way for the children to keep fit, make friends and have lots of fun. Ages 6-9.

Each day will consist of 2 activities, run with more instructors than our older children ratios. There will be plenty of breaks during the sessions and they will run to the following times:
